

KHABIRY

Consult without limits through AI

Why Now ?

Problems :

- Professionals and individuals seek comprehensive guidance from experienced experts.
- Traditional consulting methods are time-consuming and costly.
- There is a shortage of expertise in emerging technologies like AI, e-commerce, and digital marketing...

Why Now ?

- MENA Region, 53% of young people plan to start their own business.
- Consulting is associated with a 40% higher business survival rate.
- 2.5x increase in goal attainment and problem-solving for individuals and businesses using consulting services.

Solution :

A platform that provides you with the best experts for booking and consultation online through Khabiry Meet and Khabiry Brain.

Khabiry Meet

KHABIRY.COM

connect with the expert you've book through Khabiry Meet technology, which facilitates direct video calls.

Features :

Genuine presence of the expert.
The average price is \$60 per session.

Khabiry Brain

KHABIRY.COM

By AI, you can consult directly from the expert's brain instead of the expert themselves.

Features :

- You can book consultation anytime 24/7
- Consultation fee is Only 9\$.

Sources for Khabiry Brain

1. Meet Consultations:

Processes insights and answers obtained from previous consultations with expert on Khabiry Meet.

2. Brain Training:

Experts train their brains by interacting with it, addressing suggested issues and solving problems through chat and Voice.

3. Access to Resources:

Experts can include their own videos, articles, and books in the brain.

Power of Khabiry Brain

1

Without Tony being available on KHABIRY MEET.
